I wish to express my sincere and grateful thanks to a host of friends for beautiful cards and letters, and gifts of candy, fruit and flowers sent to me during my recent stay in the hospital.

MRS. N. S. CLARKE

NOTICE

Notice is hereby given that the Council of the Municipal District of Mountain View intends to pass a Zoning and Building By-law under the provisions of Section 22 of the Town Planning Act, R.S.A. 1942.

A copy of the By-law and Zoning Map may be seen at the office of the Secretary-Treasurer between the hours of 9:00 a.m. and 5:00 p.m. on any day not a Sunday or a public holiday, during the period June 1st to August 4th, 1951, inclusive.

At 11:00 a.m. on the 6th day of August, 1951, the Council will meet for the purpose of hearing any objections to the By-law.

A. BRUSO,
Secretary-Treasurer,
M.D. of Mountain View No. 49
Didsbury, Alta.

VACUUM PACKING PROTECTS FLAVOR OF FRESH COFFEE

Vacuum pack coffee is familiar to most Canadian housewives but not all of them are aware of the advantages of this form of packaging or how the process protects the flavor of this popular beverage.

When roasting coffee beans are ground the carbon dioxide gas, together with the aromatic oil (that gives coffee its aroma and flavor), escapes so rapidly that, if not protected by an air tight container, 65 per cent of it disappears in 24 hours.

The process of vacuum packing coffee in the tin containers proved to be the answer to the problem. In vacuum packing, the freshly roasted and ground coffee is packed into clean shining cans which are carried on moving belts to the vacuum closing machine. This machine draws out the air and seals on the cover so that no air can possibly get in.

Coffee packed in this way is not affected by outside climatic conditions. It is fully protected from light and air and cannot pick up foreign flavors. And, most important, the coffee stays fresh indefinitely.

FARM FOR SALE

In the Matter of the Estate of CHRISTOPHER C. RINEHART, deceased.

SEALED TENDERS will be received on behalf of the Executors of the said Estate by the undersigned up to 12:00 o'clock in the forenoon, Standard Time, of the 9th day of June, A.D. 1951, for the purchase of the following lands situated in the Didsbury area and described as follows:

- S 1/2 of Section 1, Township 31, Range 3, West of the Fifth Meridian, containing 324.057 acres more or less;
- N 1/4 of Section 12, Township 31, Range 3, West of the Fifth Meridian, containing 320 acres more or less;
- N 1/4 of Section 6, Township 31, Range 2, West of the Fifth Meridian, containing 160 acres more or less.

The said lands may be purchased in total or by any individual quarter section.

Each bid must be accompanied by a marked cheque equivalent to 10% of the offer, (which will be returned in the event of non-acceptance) and the balance payable within ten days of the acceptance of any tender.

Envelope to be marked "Tender". No tenders necessarily accepted. Possession will be given upon termination of the present crop year. For further information apply to J. A. MacDonald, Solicitor, 612 Grain Exchange Building, Calgary, Alberta.

DATED at the City of Calgary in the Province of Alberta, this 23rd day of April, A.D. 1951.

NELSON REIST and JOHN H. URE, c/o Dingle & MacDonald, Solicitors for the Executors, 612 Grain Exchange Building, Calgary, Alberta. 18-6c

URUGUAY IMPORTANT MARKET FOR CANADIAN SEED POTATOES

Uruguay has developed into an important market for Canadian certified seed potatoes in recent years. Purchases last year amounted to 200,920 one-hundred-pound sacks, as compared with about 160,000 the previous year. Of this quantity, 110,307 sacks were Katahdin and 90,013 the Pontiac variety. The latter variety gives good results in Uruguay, particularly in the northern areas where yields are satisfactory

and the domestic market had become accustomed to, and accepts, the red skin tuber. The demand for the Pontiac continues, and imports next season will include at least 50 per cent of this variety.

HARROGATE SINGER FOR CANADA

Miss Barbara Hicks, Harrogate, Yorkshire, soprano, will leave Britain on July 31 to make a five-week tour of Canada as the guest of Mr. Garfield Weston.

Letter To The Editor

Dear Sir:

The other day we were out visiting with our daughter and family on the old homestead, and in the afternoon she said she must go to the school to get the children, and asked us to go along. We were glad to go as we helped to organize that school about 50 years ago.

Coming home a boy was invited to ride along and I asked him how many scholars they had going to school. He said he didn't know how many scholars, but there were 23 pupils. I wasn't smart enough to ask him the difference between pupil and scholar but my dictionary says a pupil is a person who is under the care of a tutor, scholar, or ward, or a young boy or girl. A scholar is a student, disciple, a man of letters, an undergraduate on the foundation of a college.

The teacher had probably posted her pupils on the meaning of words. She is one of the best in the district.

THEO. REIST

ACQUIRING TEXAS DRAWL?

"Edmonton now looks like any place in Texas. Even the kids are acquiring a Texas drawl."

"The Americans have taken over the Canadian oil industry."

Such comments slip easily and often through Western Canada conversations these days.

What's the truth? Have Canadians been too slow on the draw to realize and participate in Canada's newest industry?

Well, the Americans are betting \$132 millions this year that they will find oil in Alberta, Saskatchewan and Manitoba.

That's an official estimate of the U.S. participation in Western Canada's oil development for 1951. It gives the U.S. 60% of the \$220 millions which it is estimated will be spent on exploration and development this year.

FALLEN TIMBER

(Last Week)

Mr. and Mrs. Dean Stair were in Didsbury on Thursday.

Mr. and Mrs. Harold Morrison and family spent several days visiting east of Olds.

Mrs. P. J. Fair and Mrs. Lloyd Wannamaker were in Didsbury on Tuesday.

Kenneth Rosted spent a few days visiting in Olds last week.

Mr. and Mrs. Carter and family returned from Fauces last week-end. Mr. Carter Sr. was reported much improved in health.

The church service and Sunday school at Fallen Timber was well-attended. Everyone was glad to see the orchestra and choir back at full strength after a siege of muddy roads, spring break-up and high water. The Junior choir gave a pleasing number. The service was ably conducted by the co-pastors, Mr. and Mrs. C. Moore of Calgary.

Mrs. W. Dick entertained Saturday evening at a shower in honor of Mr. Harry McGaffin, formerly of Fallen Timber community, and Miss Dorothy Boynton of Calgary. The room was tastefully decorated with pink and white streamers and roses. The evening's entertainment was a community sing-song, fun and frolic. A mock wedding caused much merriment and gales of laughter. Miss Boynton and Mr. McGaffin were presented with many beautiful and useful gifts, and a delicious lunch was served at the close of the evening.

Mr. and Mrs. G. Admussen were Calgary visitors on Saturday.

Mr. and Mrs. J. H. Cooper and sons entertained Miss G. Shultz, the Misses Helen and Millie Quast of Calgary, and Mr. Billy Dick on Sunday.

Mr. and Mrs. Wm. Money and family spent Sunday evening visiting with Mr. and Mrs. J. McGaffin and family.

Miss Jessie Bruns visited over the weekend with her aunt, Mrs. J. McGaffin.

The community is very pleased to welcome Mr. Barry McMullen home again after his long seige in the Didsbury hospital.

Mr. and Mrs. Cooper were in Calgary on business on Saturday.

UNLUCKY TWO BUCKS?

To this day we seldom get a \$2 bill that hasn't one or more of its corners turned down recalls Napier Moore in the Financial Post. And, rather to our amazement, we are still able to surprise a lot of people with the information that in a great many cases this is the result of a superstition that a \$2 dollar bill was unlucky. Forty years ago on the Pacific Coast very few people would put a new \$2 bill in their pocket without turning down the corner. This curious quirk wasn't confined to Canada. We used to run into it in Seattle, and even four or five years ago, in Missouri, when we tendered a two dollar bill to a barber he grunted and solemnly turned down the corner. We have heard various versions of the original of all this, none of them satisfying. The most plausible one is that shortly after the denomination was first issued the far West was flooded with counterfeit \$2 bills. That would account for suspicion but it doesn't explain how turning down a corner made a counterfeit into a genuine bill.

DISTINGUISHED FLYING CROSS

For "an act or acts of valour, courage, or devotion to duty performed whilst flying in active operations against the enemy" . . .

During the Second World War, the Distinguished Flying Cross was awarded to 4,028 members of the Royal Canadian Air Force.

"... exceptional fearlessness in the face of the enemy" . . .
"outstanding courage and determination" . . .

4,028 citations—each one a tribute to service in the defence of freedom, by men of the R.C.A.F.

Today, in Canada's rapidly expanding Air Force, more young men are needed to train as Air Crew Officers—Navigation Officers, Radio Officers and Pilots.

To be eligible, you must be between 18 and 24—be a Canadian citizen or other British subject—be physically fit—and have Junior Matriculation or better.

Introducing your CENSUS TAKER

Mr. R. J. Davy is one of the 18,000 enumerators who will call at the homes of all Canadians—including yours—starting June 1st.

His job is to get the facts which Canadians need for successful management of their private business or public affairs. It is of practical benefit to you and your community.

Your enumerator (man or woman) will carry an identification card. The information you give is kept in strictest confidence, and can be used only for census statistics. It cannot, by law, be revealed to anyone for any purpose, even to other Government Departments. Please be ready with quick and accurate information when your census taker calls.

MRS. WILLIAM BOLTON
PASSES AT VANCOUVER

Mrs. Gertrude Bolton, old-timer of the Westerdale district, died suddenly of a heart attack on Friday, May 18, at her home at 5775 Joyce Road, Vancouver, B.C. Mrs. Bolton and her husband lived for many years on a farm southeast of Westerdale and moved to Milner, B.C. about 30 years ago. She was 72 years old last March.

Surviving are her husband at Vancouver; two sons, Richard at Greenacres, Alberta, and Clarence at Hamilton, Ont.; a daughter, Mrs. Davidson, Calgary. Her oldest daughter, Mrs. Emma Smith of Milner, B.C., predeceased her a few years ago.

Canadian Hasn't Won
Golf Tourney Since '14

The Canadian Open Golf Championship is set for July 4-7 over Toronto's Mississauga course—which brings up the question as to whether this might be the year a Canadian breaks a string of 35 years by keeping this country's top golfing honor on Canadian soil.

The question won't get a final answer until July 7, but in the meantime the season of somewhat wistful speculation is on. The Canadian championship hasn't stayed in Canada since 1914, more than 20 years before the Seagram Gold Cup became the symbol of victory and the prize money which rides with it helped raise the Canadian Open into the big time.

The failure of Canadian golfers to take honors in their own Open springs from the fact that the event nowadays attracts some of the best competitive golfers from the big-money U.S. tournament circuit. That has been true in the past when the prize money was \$10,000; it will probably be even more true now that the House of Seagram has raised the ante to \$15,000.

Against the competition of men who make tournament golf their livelihood and who play competitively winter and summer, day in and day out, Canadians face two handicaps, most of them cannot play during the winter, and they can't play tournament golf during the summer. There just are not enough Canadian tournaments to keep them going, and besides their primary responsibility to the members of their home clubs.

But there is always the hope that some day a Canadian will overcome the long odds and keep the Seagram Gold Cup in Canada for a year, maybe even this year. The hope springs from the twin facts that Canadians have come close in the past and golf is one of those games where a few good breaks might well spell the difference between first place and third or fourth.

Stan Leonard of Vancouver seemed headed that way a year ago when he was out in front and shooting beautiful golf until well on in the third day. Then he slipped, and wound up a tie for fourth place. Five years before, he finished just one stroke out of a first place tie.

There are plenty of other top-notch Canadian pros who could turn the trick too. Any one of them just might happen to get really hot for four days and become the first Canadian to keep the championship at home since 1914.

MCGREGOR-NELSON
On May 12 at 3 o'clock, the home of Mr. and Mrs. R. J. Nelson of Har-mattan was the scene of a quiet wedding when their youngest daughter, Muriel Blanche Adelia, became the bride of Mr. William James McGregor, only son of Mrs. Evelyn McGregor of Dunblair, Perthshire, Scotland.

Officiating minister was Rev. Wm. Barber of Har-mattan. Given in marriage by her father, the bride wore a navy blue dress of nylon taffeta and a white calico with navy blue satin bow. The dress featured a small round collar, short sleeves and lace insets in the skirt. Her corsage was of red carnations and her only ornament a small gold pendant belonging to her mother.

Attending as matron of honor was her sister, Mrs. Bob Ross, powdered in light blue gabardine, while Mr. Bob Ross acted as best man. A reception followed the ceremony, the bride's table being centered by a three-tiered wedding cake. Mrs. C. Cauch and the bride's brother, Aylward, did the serving.

Guests included Mrs. John Manson, Mr. and Mrs. C. Cauch, Mr. Tom Andrews, Mr. and Mrs. N. Petersen, Margaret Anne and Bob, and Mr. and Mrs. Bob Ross and Richard, all of Har-mattan.

The groom immigrated to Canada after serving five years with the British army and four years with the Palestine Police Force.

Mr. and Mrs. McGregor will make their home in Sundre.

FERTILIZER
After land has been seeded down to Bromo for a number of years there is almost a complete depletion of nitrogen in the soil because grasses do not replenish nitrogen—regimes do that. Grasses restore the fibre and humus to the soil through their root systems. This lack of nitrogen usually accounts for a poor stand of crop the first year or two after the land has been plowed and seeded to grain. It is advisable, therefore, to use a fertilizer which is high in nitrogen content such as 16-20. This means 16 per cent nitrogen and 20 per cent phosphate. I have recently come across several farmers who are applying gypsum at the rate of 100 lbs. to the acre on their hay meadows. They report an increase of hay yield of one-third or more per acre where this was done. A 30 bushel per acre crop uses 22 lbs. of phosphate and to replace this requires 43 lbs. per acre of 11-18. Therefore, to maintain soil fertility it requires 40 to 50 lbs. per acre of fertilizer. In Saskatchewan, which usually has less rainfall than Alberta, a series of tests were made at rates of 20, 40, 60 and 80 lbs. per acre. Up to 60 lbs. there was a marked upward curve in the yields per acre, above that it levelled off. From this and other conclusive reports it would appear that the use of commercial fertilizer at rates up to 40 or 50 lbs. per acre is not only recommended but is necessary to maintain soil fertility for future crops.

UNLOSABLE GOLF BALL

The world needs an unlosable golf ball, especially for the man who only plays occasionally or not too well. We've heard of one idea, a ball containing a speck of radium. This calls for the player carrying a Geiger-Muller Counter, which picks up the radio active impulse and leads the hooker or slicer to the ball. But radium is very expensive and Geiger-Muller Counters must cost at least \$150 apiece. We may think of something simpler as we do our summer musing in the rough.

In 1950 Canada's mining production passed the billion dollar value for the first time in history.

CANADA THISTLE WAS ONCE
VALUABLE GARDEN PLANT

Canada thistle, one of the country's most serious weed pests, was once considered a valuable garden vegetable. Introduced in Canada by the early French missionaries, the plant was cultivated by the pioneers and part of it used as a form of yeast in bread baking. From row planting in early-day gardens, it soon spread into hay meadows and became a general nuisance in cultivated crops. Today, it is being successfully controlled by the use of the selective hormone weedkiller 2,4-D.

RUBBER FROM GOLDENROD

The common goldenrod, which blossoms out into yellow splendor on most Canadian fields each fall, may some day be grown like any other farm crop, as a source of rubber.

Reporting on tests conducted at the southern regional research laboratory of the U.S. Department of Agriculture, the scientists produced about 900 pounds of rubber from goldenrod in a specially built pilot plant. The rubber gave good service in such manufactured goods as hot water bottles, shoe heels and bicycle tires.

Kill
Weeds
With
HERBATE 2,4-D

Prairie farmers report increased yields of 4 to 6 bushels per acre by killing out weeds with HERBATE 2,4-D. Yet as little as 40¢ worth of HERBATE 2,4-D is enough to treat an acre . . . an average cost of only 7¢ to 10¢ per extra bushel.

HERBATE 2,4-D

makes weed control easy and economical
Because of HERBATE's high 2,4-D Acid content, as little as 3¢ to 5¢ of a pint per acre assures effective, low-cost weed control. HERBATE 2,4-D kills sensitive weeds outright, keeps even tough ones under control. HERBATE 2,4-D helps to conserve moisture, increases yields, reduces dockage.

HERBATE 2,4-D

A product of Canada's largest manufacturer of chemicals

HERBATE 2,4-D is a product of the Agricultural Chemicals Division of CANADIAN INDUSTRIES LIMITED, Canada's largest manufacturer of chemicals and long-established leader in modern pest control products.

Buy a brand you can depend on. Ask for HERBATE 2,4-D.

WEED KILLER

OIL MAKES A COUNTRY STRONG

THE ROUGHNECKS ARE MOVING ON!

In the language of the oil fields, "roughnecks" are the men of the drilling crews who probe deep in the earth for oil. You'll find them in any oil field doing the hard tedious work that goes into the drilling of every well.

But roughnecks like it best when the going is toughest and most exciting—when they move on to search for oil where it has never been found. In Alberta the odds are against them, only one wildcat well in 20 is likely to be successful.

Working against these odds, roughnecks' drills have tapped more than a billion barrels of new oil in Alberta since 1947, bringing new prosperity and new security to all Canada. In fact Canadians now produce one in every three barrels they use—but we still must depend on foreign countries for the other two. To be self-sufficient we must have three times our present reserves.

The roughnecks keep moving on in the unending search for oil. As they succeed they benefit and strengthen the entire nation.

**CONVERTIBLE
 EJECTOR
 WATER SYSTEM**

**A REVOLUTIONARY NEW
 TYPE SYSTEM—
 EASILY CHANGED
 FROM SHALLOW
 TO DEEP WELL**

 This simple kit is all
 you need for Deep
 Well Conversion.

 A simple conversion kit enables you
 to change from shallow to deep well
 service with one pump! It is easily
 installed inside the pump.

 Here's how it works. You install the
 Convertible Ejector as a shallow well
 system. When you need more water,
 or when falling water levels compel
 you to go to greater depths, all you do
 is install the low-cost conversion parts
 to change to deep well duty. You are
 saved the expense of an entirely new
 water system. Available in ¾, 1, 1½,
 2, 3, 4 or 6 hp. models that can be
 installed over the well or away from it.
 Get full details now!

-D- DISTRICT NEWS -

ZELLA NEWS NOTES

Mr. Erwin S. Brower celebrated his 70th birthday on May 24th. He came from Iowa to Alberta in 1902 and homesteaded in the Zella district where he is still helping with spring farm work. Fourteen children and grandchildren enjoyed a chicken dinner in his honor on Sunday afternoon.

A. Reist returned last Thursday from a trip to the Peace River country. The party travelled as far west as Eaglesham where Bessie Reist is working. Then they went north to Bluesky to see Miss Rhoda Buschert of Bergen. This being Mr. Reist's first trip north of Edmonton, he was greatly impressed with the vastness of the country. While the farmers were busy on the land they were not as far advanced as here with their spring work. A large percentage of the wheat is still to be seen in the Peace River area.

Mrs. A. Reist expects to leave on May 31, along with Mr. and Mrs. Lloyd Shantz and Mr. Linford Hackman of the Waterloo district, for a trip to the United States. Mrs. Reist will be stopping at Petoskey, Michigan, to visit her mother and other members of the family. The others will go as far as Pennsylvania. They expect to be away about two months.

MOUNTAIN VIEW

In a test hole that the seismograph crew was drilling south of the corner at James Worrall's farm a flowing well was encountered at 25 feet. This drained the artesian well at Neapolis school and greatly reduced the flow of the well at the Worrall farm. In an attempt to close off the new well a number of blasts were made without avail. On Sunday 23 sacks of cement were poured down the hole but still the flow of water could not be stopped. Another attempt will be made to close the well.

Mr. and Mrs. Ed McNeil were supper guests with Mr. and Mrs. Harold Shultz and family.

Mr. and Mrs. J. Towse and family of Calgary were visitors at the B. A. Atkinson home on May 24th.

Norman Archer entertained the pupils of the Gore school at a wolver roast at his home on May 24th, the occasion being his birthday.

The annual musical festival was held at East Carstairs hall on May 23 and Gore school participated.

Mrs. Faught and Mrs. Boffey were afternoon visitors at the B. A. Atkinson home, following the festival at East Carstairs hall, where the latter acted as adjudicator.

The field day for the beef clubs was held on Saturday at the Yellowknife farm west of Acme.

Dinner guests on Sunday with Mr. and Mrs. Joe Hunter and boys were Mr. and Mrs. Lawrence Hunter, and in the evening Mr. and Mrs. John Hunter and Mr. and Mrs. Howard Miller called.

Sunday visitors with Mr. and Mrs. James Worrall were Mr. and Mrs. Wesley Taylor, Dorothy, Jean, Lois and Freddie, all of Calgary.

Mr. and Mrs. W. Reid and family of Olds visited Sunday with Mr. and Mrs. G. Tighe.

Monday looked like a typical winter day in the district with all the snow despite the date being May 28.

Mr. and Mrs. Hugh Nisbet were Sunday visitors at the B. A. Atkinson home.

"Bud" Tighe, who recently underwent an appendix operation in the Didsbury hospital, has contracted rheumatic fever and will be in hospital for some time yet.

BURNSIDE NOTES

A good crowd attended the dance at Lone Pine hall on Friday evening and everyone reported a good time.

Mr. E. Dowell was a Calgary visitor on Friday.

Lewis McCulloch of the Regent Drilling Company, was again a visitor in the district this weekend and was a dinner guest with his brother Walter on Saturday.

Mrs. Krebs spent Sunday at the home of her son-in-law and daughter, Mr. and Mrs. Arnold McCulloch.

Mr. Howard Pross is home again after convalescing in town with her mother.

The robins seem to be taking possession of mail boxes in various parts of the district this year. We wonder if they are seeking bomb-proof shelters.

It's as green as the Emerald Isle at Poverty Flat this year, with plenty of moisture and crop prospects were never better in the Burnside district. Most of the early crops are now up and seeding has been practically completed.

LUCKY GRADS

Employment prospects were never brighter, starting salaries never more attractive for the Canadian university graduates graduating from the 1951 class.

Employers have been bidding like movie scouts for top talent. There's been a big demand from the U.S. and Britain. Few of the 13,000 graduates have yet to find a place. Most, especially in engineering, have been able to shop around. With the market for their services.

This year's smaller graduating class (down 4,500 on last year's 17,000), coupled with the increased demands from the armed forces, defense industries and an expanding civilian economy place the graduate in the most favorable position since the war.

M.V.B.C. NEWS

"This is the day that the Lord hath made." We feel thankful indeed for the moisture that has again fallen. Our new grass plots will flourish; our gardens will grow quickly; our shrubs and trees will benefit. All of us are happy as we contemplate the rapid improvements which are being made each week on our College grounds. Efforts such as these take time, and we expect some day to have a beautiful campus, an asset to our town.

Our Music Studio is really becoming a broadcasting station. Did you hear the Sunday morning program? Rev. Kuhn, from Michigan, brought the message, and Mr. and Mrs. Arnold Sherrie and Mr. and Mrs. Snyder were the singers. We appreciated having these friends assist in this way. Rev. Kuhn and the Sherries will be the artists again next Sunday on this 7:45 a.m. program. You will want to hear them.

This group is doing work for Youth for Christ in Alberta this summer. The May City United Missionary Church celebrated its first anniversary on Sunday. Rev. Harley Traub is the pastor. In the morning service Rev. J. T. Hoskins brought the message. Mrs. Hoskins told the children a story from real life, and the children will not soon forget it. Miss Gladys Eby spoke in the evening. There was a good attendance throughout the day. With this group from the College three High School students presented musical numbers. Earl Reimer played "The Holy City" on the violin, accompanied on the piano by Edward Oke. Harley Dyck rendered a solo. This young talent was greatly appreciated.

Mr. and Mrs. Abe Sawatzky visited the former's parents in Sunny-slope over the week end.

The L.S.C.F. Rally on Saturday afternoon and evening was a real success. Under the able leadership of Miss Dorothy Stauffer, who has been the president of this group, and the social chairman, David Archer, the banquet held in the dining room of the College was worthwhile. Nearly fifty young people attended. The afternoon was given to fun and frolic. Mr. Joe Curry, L.S.C.F. staff leader of Alberta, showed very interesting pictures of the different Young Camps of Canada, and told the young people about the one that is being built at Crimson Lake this summer. The young people planned a delightful supper. Miss Grace Hunsperger, Miss Marion Sherrie and Mrs. Ira Stauffer did the cooking, and altogether everyone enjoyed it immensely. In the evening a meeting in the Evangelical Church proved to be all that was expected as the audience listened to Mr. Curry's message to the high school students. This work is commended to the parents and teachers of the community. Young folks from Didsbury and Carstairs, we are happy to have you at M.V.B.C.

And then, too, we very sincerely thank all the kind friends who have so graciously brought in food supplies during the past couple of weeks. A nice roast, dozens of eggs, canned fruit and vegetables have added much to our dwindling store of food provisions. Thank you.

LITTLE ITEMS OF LOCAL INTEREST

Russel Fulkerth reported Monday that a pintail duck has hatched out nine eggs on the farm east of town and the young birds are now enjoying themselves on a small lake nearby.

—Picnic time is here. Paper plates, cups, spoons, etc., and bits of special tasty foods are on display at Didsbury's only complete food store —Soley's.

Mr. and Mrs. H. Taylor and Mr. and Mrs. Joe Dick and family spent Sunday in the Fallen Timber district.

Stan Janzen has purchased the A. Gillie house and Mr. and Mrs. Janzen and family are now residing there.

The Didsbury postoffice has been renovated and completely changed around. The boxes and three wickets have been set in birch veneer panels and the furniture replaced, all presenting a neat and orderly appearance.

—The Alter Society of St. Anthony's Church will hold a Hilaria tea at the home of Mrs. W. Ross on Saturday, June 9, from 3 to 6 p.m. —2c

Mr. and Mrs. E. G. Ranton left last Wednesday for a week's vacation at their cottage at Cooking Lake.

Mr. and Mrs. W. McFarquhar and family spent a few days in Banff last week.

Mr. and Mrs. Bert Prevost returned Monday from a motor trip to Spokane, Washington.

Mr. and Mrs. Tom Noble and family and Mr. and Mrs. Lloyd Jenkins of Calgary, and Mr. and Mrs. Iden Jenkins and family of Cluny visited last weekend with Mrs. E. Jenkins. Iden was returning from Red Deer where he attended a shop teachers' convention.

Miss Dorothy R. Harris R.N. and Miss Margaret A. Nolan R.N., both of the graduate staff of the Didsbury hospital, are leaving this week to be married on June 9. Miss Harris will be married at the Scarboro United Church, Calgary, and Miss Nolan at the United Church, Acme. Following the ceremonies the two couples will spend their honeymoon together at the coast.

Mr. and Mrs. Norm Maahiner and family, Al Mack and Rose Tower of Calgary, visited with Mr. and Mrs. Ed Berscht and Mr. and Mrs. Sid Wright on Victoria Day.

—It's like no other product—Accent—the unique basic seasoning makes food flavors sing—makes good cooking taste better. Get a tin from Soley's Food Store. You'll always find something new and different when you shop at Soley's.

Mr. P. H. Barber and Mr. and Mrs. G.H. Barber and son Herbie of Calgary were guests of Mr. and Mrs. Sidney Fox on Sunday.

—Setting Out Plants can be obtained from the Didsbury Variety Store.

Prevost Meteors played the Oil Kings from the Superior Robertson well and lost the softball game by a 10-6 score.

Raymond Shantz assisted Tom Dench at the Ben Shock auction sale at Carstairs on Tuesday.

A tea will be held in the Didsbury high school on Thursday, June 7, at 2:00 p.m. Admission 35c. A display of the year's work in shop and home economics, with parade of fashions and other special attractions. —2c

Arthur Rupp who is employed as a geologist with the Shell Oil Company in Calgary spent the weekend with his parents, Mr. and Mrs. J.W. Rupp. Miss Betty Rupp, nurse-in-training at the Holy Cross hospital, also spent Friday at her home here.

—When you are having a cold lunch you should have one hot item—Libby's 'Tamales with Sauce' is just the one. Hot, spicy, tasty. Special this week at Soley's, 2 tins for 67c.

Boyd Fisher visited at his home last weekend and left Wednesday for Stettin where he has taken a position with an oil company for the summer.

—The public is invited to hear Miss Jean Kellerman, returned missionary from China, on Wednesday, May 30, at 8 p.m., at the Evangelical Church. Miss Kellerman has a wonderful message and a great challenge to present. She spent some time behind the Iron Curtain in China and was liberated last September, when she returned to her home in Ontario. What is the future of the church in China? Will Communism prevail? These and many other questions will be answered when you hear her. Come and bring your friends.

Sunday night someone broke into the Pool elevator at Didsbury and we understand that a few cheques were taken. The same night Dr. D. W. Burgess had his car stolen from his residence. R.C.M.P. are investigating.

Mrs. Boach underwent a major operation in the Didsbury hospital last week.

Walter E. Scheidt and Ken Jorwick of Oids spent last weekend with friends at Morrin.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. Wayne Roberts on Tuesday, May 22, a son.
To Mr. and Mrs. Don McMullen on Saturday, May 26, a son.

Mr. and Mrs. Adam Korschuh and Mrs. Art Edmundson of Carstairs visited a few days with the former's brother, Vic Korschuh and family, at Seba Beach.

The regular meeting of the Ladies' Auxiliary to the Canadian Legion (B.E.S.L.) will be held on Thursday, May 31st, in the Masonic banquet room at 8:30 p.m.

He's a going concern!

BILL IS ANOTHER enterprising boy who is learning to appreciate the value of saving for what he wants. Each week, he puts a part of his spare time earnings in the bank. And is he proud of his bank book!

Many a businessman credits his success to the habit of thrift learned early in life. Planned saving has helped millions of Canadians to make the most of their own enterprise and industry.

Experience has shown that the difference between "getting along" and "getting ahead" often starts with a bank account. Use the chartered bank in your neighborhood as a safe and handy place to make your savings grow.
